Mr. Allen W. Dulles, Director
Central Intelligence Agency
Washington, D. C.

Dear Allen:

According to our records, Braun Brothers of
Hicksville installed the plumbing in your house. I employ
them myself for my repairs and find them on the whole
satisfactory.

Max Abramovitz sent to Colonel White yesterday
a copy of Mr. Strobel's letter to Wally, dated August 25th.
Max is going to be in Washington this week to confer with
 and perhaps you may see him.

STAT

Sincerely yours,

Frederic R King
